E930-22	GM	Rear of rear frame bracket Silverado/Sierra 2wd & 4wd 1999-2009 	12474021

You know the spring number, but your application needs some additional capacity. Does Triangle have it? WebSST has made it easier for you to find just what you need. Take a look at the drop down feature to search for heavy duty springs that have been added to website. Here you will see the list of "HD" springs and a simple click on the hyperlink will display additional information.

Remember Triangle For All of Your Spring and Suspension Needs!
